VILLAGE DEPARTMENT OF PUBLIC WORKS & SNOW REMOVAL

To provide you with the best service possible, the Department of Public Works (DPW) would like to remind everyone that your cooperation is needed during the winter months for proper plowing, salting and snow removal. If you have a driveway or an off street parking space, please use it during the winter months and especially during a snow or ice storm as vehicles parked on the street hinder plowing operations. Please do not put snow in the streets once the plows have gone through. Additionally, anything that you might have in the Village's right-of-way, such as a basketball hoop, should be moved and stored for the winter. The Village will not be responsible for damage to any items left in the Village's right-of-way. In the event that a snow emergency is declared, details will be provided to local news stations, on the Village website and through our emergency alert system.
