“SLOW DOWN TO GET AROUND” LAW”

Protects Sanitation Workers

Gov. Cuomo recently signed into legislation to add sanitation and recycling vehicles to the state’s “Move Over” law. Under the new law, motorists must move over and slow down to an appropriate speed when passing refuse trucks, giving the same treatment as vehicles with flashing red/blue or amber lights that were already covered under the law. Sanitation is among the most dangerous work that public employees perform. According to the Bureau of Labor Statistics in 2014, sanitation workers had a fatality rate of 33 per 100,000 workers, the fifth most fatal occupation that year.
