

**Village of Menands
Plumbing Permit Supplemental Application**

For Official Use Only

Submitted: _____ 20 _____	Approved/Rejected By: _____
Examined: _____ 20 _____	_____
Approved/Rejected: _____ 20 _____	Building Permit #: _____

Section 1: Instructions

The Plumbing Permit Supplemental Application must be completed (typed or written in ink) and submitted along with the Building Permit Application to obtain a building permit for any planned plumbing work. Plumbing plans must be included within the detailed design drawings (see Building Permit Application) or submitted separately with this supplemental application. For further information on any required specifications, drawings or site plans, please review the Plumbing Permit Information Sheet document.

This application must be completed by the Owner of the property on which plumbing activities are to occur, or by a duly authorized representative of the Owner of the property. In submitting this application, the applicant swears that any and all information and or statements contained herein are true to the best of the applicant's knowledge. Any information that the applicant has set forth in this application that is false or misleading may result in the rejection of the application. Construction authorized by this permit must always comply with the plans as approved by all applicable government agencies.
