

Grow Menands

Warm up your green thumb,
because Spring is here.

The Village of Menands will be choosing the **Most Colorful Business** and the **Most Colorful Home** at end of June to receive the Grow Menands awards. Your home or business will be featured in the Menands newsletter and posted on VillageofMenands.com.

“There has always been magic in flowers—they are beautiful, lift the human spirit and make your home more inviting. And nothing increases curb appeal and property values better than some plants and landscaping. Join us this Spring as we put our creativity to work beautifying the village with the magic of flowers.”
