### **JUST FOR FUN**

#### **Quotes and Rules of Life from a 122 year old woman, Jeanne Louise Clement**

##### **Just in Case You Think You're Old!**

“I’m in love with wine.”

“All babies are beautiful.”

“I think I will die of laughter.”

“I’ve been forgotten by our Good Lord.”

“I’ve only got one wrinkle, and I’m sitting on it.”

“I never wear mascara; I laugh until I cry too often,”

“If you can’t change something, don’t worry about it.”

“Always keep your smile. That’s how I explain my long life.”

“I see badly, I hear badly, and I feel bad, but everything’s fine.”

“I have a huge desire to live and a big appetite, especially for sweets.”

“I have legs of iron, but to tell the truth, they’re starting to rust and buckle a bit.”

“I took pleasure when I could. I acted clearly and morally and without regret. I’m very lucky.”

“Being young is a state of mind, it doesn’t depend on one’s body, I’m actually a young girl; it’s just that I haven’t looked so good for the past 70 years.”

At the end of the interview, in response to a journalist who said, “I hope we will meet again sometime next year.” She replied, “Why not? You’re not that old; you’ll still be here.”
