PROPOSAL

August 15, 2022

Proposal Submitted To:
Village of Menands

Job Name:
Rt 32 pavement Replacement

SITWORK

1. Mobilization
2. Mill and prep pavement area of +/-175 FT x +/-28 FT x 10" for new asphalt paving.
3. Provide (2) arrow boards for traffic control.
4. Pave area +/-175 FT x +/- 28 FT x10" thick with new asphalt in layers and tack coat.
5. Restripe the new paved area as needed.

Total \$56,000.00

Conditions:

1. Permit, compaction testing, SWPPP inspections and fees by others.
2. Bonding not included in price.
3. Rock excavation and dewatering are not included in price.
4. Price does not include the following items: Relocating of any utilities, concrete, curb replacement, manhole repairs or winter conditions
5. Utility hookup charges or fees, overhead utility work and National Grid charges, existing underground utility repairs and relocations are not included.
6. Excavating, handling or disposal of hazardous materials, unsuitable soil removal and replacement below design grade are not included.
7. Initial horizontal and vertical control and stakeout of proposed work by others.
8. All pavement to be restored to match existing grades
9. Traffic control is not included except for arrow boards.
10. Due to the instability of the tariff situation, pricing for materials are subject to change after 5 days.
11. Pavement thicknesses are based on matching existing asphalt.
12. Price does not include sales tax on materials.
13. Price is based on NYSDOL prevailing wage rates.

14. Price is based on the NYSDOT fuel index for the month of August 2022. Any increases in the fuel index at the time of construction may affect the price of the proposal.
15. Not responsible for any damage to existing asphalt roadways, driveways or parking lots as a result of truck traffic.
16. Night work pricing is not included.
17. Any work not listed in this proposal is not included.

Prices are based on Site visit with Mike Hagaman from The Village of Menands to view the scope of work.
No Drawings

WARNING: The owner shall be responsible for any and all costs incurred by his failure to reveal any underground items including, but not limited to, power lines, telephone lines, septic systems, pipes, etc.

We propose hereby to furnish material and labor – complete in accordance with above specifications, for the sum of **Fifty Six Thousand and 00/100 Dollars (\$56,000.00)**.

Payment to be made within 30 days of Billing. Retainage is to be paid upon completion of work stated in this proposal.

A service charge of 2% per month will be added on past due accounts - an annual rate of 24%.

All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon strikes, accidents or delays beyond our control. Owner to carry fire, tornado and other necessary insurance. Our workers are fully covered by Workmen's Compensation Insurance.

All employees have been properly trained, including the completion of the OSHA 10-hour General Construction Safety course, and all superintendents have successfully completed the OSHA 30-hour General Construction Safety course.

This proposal may be withdrawn by us if not accepted within 20 days.

Authorized Signature: *Ronald E. Brock*
